TO THE ADMINISTRATOR ADDRESSED:

SUBJECT: Required RF Tracker Data Collection for Districts with Residential Care and Treatment Facilities within Their Geographic Boundaries and/or Jurisdiction

The purpose of this letter is to notify local education agencies (LEAs) of timelines related to the required collection of data for students with disabilities who reside in residential care and treatment facilities (RFs) within the geographic boundaries or jurisdiction of a district. In a Texas Education Agency (TEA) letter dated October 12, 2017, districts were notified to continue to use the RF Tracker data collection system to enter data from RF districts. Districts must complete the 2017-2018 data collection no later than June 11, 2018.

LEAs that are required to complete the data collection can request access to the RF Tracker application through the Texas Education Agency Login (TEAL) by completing an on-line request form. Instructions for establishing access are available on the TEA website at <http://tea.texas.gov/index4.aspx?id=25769818165>. LEA users who work within a shared services arrangement (SSA) and need access to the application on behalf of more than one LEA must submit a PDF application. The SSA application can be downloaded at [www.tea.texas.gov/09.005\(oa\)2.998\(de\)2.998\(d\)-894.004](http://www.tea.texas.gov/09.005(oa)2.998(de)2.998(d)-894.004)

For RF Tracker data collection, please communicate with your ESC monitoring or special education contact at the phone numbers available from the TEA website at [http://www.tea.state.tx.us/regional\\_services/esc/](http://www.tea.state.tx.us/regional_services/esc/), or you may contact the Division of School Improvement at [SDivision@tea.texas.gov](mailto:SDivision@tea.texas.gov) or (512) 463-5226.
