

Science TEKS Review Work Group CDraft Recommendations

Draft Recommendations
Texas Essential Knowledge Skills (TEKS)
Science, Grades 6-8

The document reflects draft recommendations of the science Texas Essential Knowledge and Skills (TEKS) that have been recommended by the State Board of Education TEKS review work groups for grades 6-8. Proposed additions are shown in black font with underline (additions).

This version of the draft recommendations differs from a previous version to reflect Work Group Cs proposed changes to the introduction approved by the SBOE for high school courses adopted at the November 2020 meetings. Insertions are shown with green underline for proposed additions (additions). Text proposed to be moved is shown in purple italicized font with strikethrough in its current location (*moved text*) and shown in the proposed new location in purple italicized font with underlines (*new text location*). Proposed deletions are shown in red font with strikethroughs (~~deletions~~).

Comments in the right-hand column provide explanations for the proposed changes.
