

(ECOS). One Mathematics / Science certificate for grade level 8-12 that was effective beginning in 2013 but not issued until 2018 was removed from the dataset because grade level 8-12 certificates were no longer offered after 2015. The initial certificates were categorized into academic years and aggregated by certificate field and grade level.

Notes: The counts may differ from those reported in previous years. This occurs for two reasons: (1) as errors are discovered, they are corrected, or (2) we update our programming to improve the accuracy in capturing the population of interest.
