

Newly Certified Principal Demographics by Preparation Route 2017-18 through 2022-23

Newly Certified Principal Race / Ethnicity by Preparation Route

Methodology: All standard principal certifications that were issued since September 2017 to educators who did not previously hold principal certification were identified in the Educator Certification Online System (ECOS). These initial certifications were categorized into the academic year in which they were issued. Educators were categorized into one of the three mutually exclusive routes through which they obtained their initial certification and according to their self-identified gender and race / ethnicity.

Notes: The counts may differ from those reported in previous years. This occurs for two reasons: (1) errors are discovered and they are corrected or (2) we update our programming to improve the accuracy in capturing the population of interest.

In some instances, the total number of certified teachers does not add up to the total number of individuals across all race / ethnicities. The difference between these two sums is the number of people who do not have a race / ethnicity specified.
