The Data Reporting Compliance Unit (DRCU) within the Information Technology Customer Relationship Management and Data Standards Department examines data submitted through the Texas Student Data System (TSDS) Public Education Information Management System (PEIMS) by local educational agencies (LEAs) as well as certain data validation indicators from the Performance-Based Monitoring (PBM) Data Validation System against PBM Data. The [2021 Leaver Records Data Validation Manual](#)

[The manual](#) outlined eight indicators. You may retrieve a copy of your LEA's PBM 2021 Leaver Records Data Validation (LRDV) report to determine if your LEA triggered any 2021 indicators by logging into the Texas Education Agency Login ([TEAL](#)) portal to access the Accountability application. Contact the PBM Unit with questions specific to these reports, indicators, or their calculations at (512) 463-9704 or at PBM@tea.texas.gov.

An LEA will have a 2021 Leaver Records Data Reporting Compliance Review form to complete for each indicator triggered. Forms focus on compliance with the Texas Education Data Standards, and indicators one through five will contain prepopulated student-level data to validate. Identified LEAs are expected to: (a) validate and document the data are correct and address any identified potential
