Title I of the Every Student Succeeds Act (ESSA) requires all local educational agencies (LEAs) that receive Title I funds to develop a plan for "how the local educational agency will identify and address, as required under State plans as described in section 1111(g)(1)(B), any disparities that result in low-income students and minority students being taught at higher rates than other students by ineffective, inexperienced, or out-of-field teachers."

Up until the 2019-2020 school year, all LEAs that received Title I funds created and submitted equity plans describing how the LEA would decrease gaps as they relate to low-income students
