| | SY 2020-2021 COVID-19 Crisis Code Reporting Guidance |
|---|---|
| **CATEGORY:** | **Data Reporting** |
| **NEXT STEPS:** | **TSDS PEIMS Coordinators** |

In order to inform policy makers, support best practices and ensure maximum funding for local education agencies (LEAs), LEAs will need to submit a crisis code indicator on all students attending school in the 2020-2021 school year. Crisis code data will be submitted through the TSDS PEIMS Fall 1 Collection by close of business on October 5, 2020, and again on November 6, 2020. The data reported in these two collections will be published externally in summary format at the LEA and state level.

The 2020-2021 crisis codes will also be added to the Texas Record Exchange (TREx) system for LEAs to exchange information on students as the student moves from one LEA to another.

**Crisis Code Values Reported through PEIMS Fall Submission due October 5, 2020**

Report the students that were enrolled in your LEA on September 28, 2020.

1. (Code 8A) COVID-19: On September 28, 2020, student is being instructed on-campus.
2. (Code 8B) COVID-19: On September 28, 2020, student is being instructed through the remote synchronous method.
3. (Code 8C) COVID-19: On September 28, 2020, student is being instructed through the remote asynchronous method.

Crisis codes from the September and November collections will be promoted to the PEIMS data mart during the regular PEIMS Fall submission timeframe.

Please submit questions regarding the TSDS PEIMS data reporting requirements to the TSDS Incident Management System (TIMS), which is available within the TSDS portal.
