SUBJECT:	School Breakfast Week 2020
CATEGORY:	Educator and Systems Support
NEXT STEPS:	Share with appropriate staff

Schools across Texas will celebrate School Breakfast Week March 2-6, 2020. The annual event recognizes the dedication and commitment shown by the Texas schools serving more than 1.8 million breakfasts each school day. These meals help ensure more children get to school on time and pay attention throughout the school day. TEA encourages you to recognize your school nutrition teams' efforts during School Breakfast Week and remind students that classroom success starts with a healthy breakfast.
