

## To the Administrator Addressed

<b>DATE:</b>	<b>March 25, 2021</b>
<b>SUBJECT:</b>	<b>eGrants – Change to Required Browser</b>
<b>CATEGORY:</b>	<b>eGrants</b>
<b>NEXT STEPS:</b>	<b>Share with appropriate staff</b>

The Texas Education Agency is implementing new browser requirements related to a technology initiative to enhance security for web-based applications.

Beginning April 15, 2021, eGrants users will need to use a current version of the Google Chrome browser to access the eGrants system. Internet Explorer should not be used to access the eGrants system any longer due to functionality no longer being available, or the application may not work as expected.

Link to download the Google Chrome browser: <https://www.google.com/chrome/>
