The Data Reporting Compliance Unit (DRCU) within the Information Technology Customer Relationship Management and Data Standards Department reviews data submitted through the Texas Student Data System (TSDS) Public Education Information Management System (PEIMS) by local educational agencies (LEAs) and the data validation indicators from the Performance-Based Monitoring (PBM) Data Validation System against required data submission standards for compliance. The DRCU works with LEAs to improve data submission and support multiple data-driven systems across the Texas Education Agency.

The PBM Data Validation System, developed in response to state and federal statutes, analyzes leaver records annually to look for potential data anomalies as required in TEC, §39.308. The 2023 Leaver Records Data Validation Manual outlined eight indicators. You may retrieve a copy of your LEA's PBM 2023 Leaver Records Data Validation (LRDV) report to determine if your LEA triggered any 2023 indicators by logging into the Texas Education Agency Login (TEAL) portal to access the Accountability , please cont
Unit at (512) 463-9704 or PBM@tea.texas.gov.

An LEA will have a 2023 Leaver Records Data Reporting Compliance Review form to complete for each indicator triggered. Forms focus on compliance with the Texas Education Data Standards, and indicators one through fiv

a TEAL account. If you have an
mation and corresponding forms to

request TEAL, ISAM, or Accountability access may be found here.

Contact the Results Driven Accountability representative (Appendix C of the PBM Leaver Manual) at your regional education service center if you need assistance requesting access or using the ISAM application.
