

Houston Health Department (HHD): COVID Mitigation Support & Resources Outline

As schools return for in-person learning this second semester, the Houston Health Department looks forward to supporting their needs related to the COVID-19 mitigation response.

To make requests for gloves, facemasks, face shields, gowns, etc. for your schools, please use any of the media below:

1. Visit the web link and fill in details of your request:
<https://www.houstonconsumer.org/user>
2. Send HHD an email on HHDSchoolAllPCRTests@houstontx.gov
3. Call the following numbers with the specifics of what you need and what quantity
 - a. Martha Stancil - (713-817-8552)
 - b. Sharee Brown - (832-459-9259)
 - c. Jennifer Chambers - (832-523-4166)
4. Visit the weblink to request/order COVID-19 PCR tests and other COVID mitigation supplies: <https://www.houstonconsumer.org/school-demographics-form>

Supporting school systems in keeping them open for safe in-person learning is the Houston Health Department's goal.
