### Federal Graduation Status—Minimum Size Criteria and Small Numbers Analysis

- The campus is evaluated for CSI exit, if the all students group has at least 10 students in the class.
- Small numbers analysis applies to all students if the number of students in the Class of 2018 (6-year graduation rate) is fewer than 10. The total number of students in the class consists of graduates, continuing students, Texas certificate of high school equivalency (TxCHSE) recipients, and dropouts.
- A three-year-average graduation rate is calculated for all students. The calculation is based on an aggregated three-year uniform average.
